6:00PM Happy "Half Hour"  
6:30PM Dinner

If your last name begins with:

**A - J:** bring an Appetizer  
**K - R:** bring a Salad or side dish  
**S - Z:** bring a Dessert

Please keep in mind that we always seem to have more than enough desserts, but not enough side dishes. If you are in the appetizer or salad/side dish group and want to bring dessert, please also bring your assigned dish.

Your dish should feed 10-12 people. Please bring it ready to serve, including serving utensils. (Label your serving utensils with your name!)

Please bring your own plate, eating utensils, napkins, glasses and whatever beverage you wish to drink.

After dinner everyone will enjoy the BINGO Games! Mike Drilling will be our bingo caller and joke teller this year. Everyone who plays bingo will win at least once. In order to play bingo, each player should bring one orchid or orchid related item to donate to the game prize table. (Something nice, something you would like to have, not something you want to get rid of.) If you do not have a plant or related item to bring, a \$10.00 donation will get you into the games. We welcome any additional donation for this evening's fun.

Due to the evening's activities, there will be no skill session, sale table, show & tell or opportunity table.

At the November meeting of the Peninsula Orchid Society, we elected the following slate of POS members to the 2019 POS Board of Directors:

## 2019 Show and Sale

Our 2019 Show and Sale will take place January 26 and 27, with set-up, ribbon judging, AOS judging and CSA judging taking place on Friday, January 25th. Please find the entry rules and classes attached to this newsletter.

### Theme: Orchid ♥ Selfies

Please bring any photos you have of you with your orchids or you with other orchids for us to post in the selfie area.

Also, I am looking for help from anyone in the society who has some artistic talent. I would like to make one of those cutout things where there is a hole for someone's face and an orchid around their face. We have so many musicians in our society, I am hoping we also have some artists!

### Show posters and postcards!

We will have Show posters and postcards at the December potluck. If you are unable to attend this meeting, Chaunie will mail them to you if you will send her your name, address and how many of each you would like to have.

Please start putting up posters ASAP! The sooner our show posters go up, the more people that see them, and the better our show attendance will be. Don't wait until the last minute. If you are out holiday shopping, bring some posters with you. Bring them to your hair salon, barber shop, mechanic, local nursery, veterinarians office, gym, work, grocery stores, restaurants, retailers, community bulletin boards, libraries, dry cleaners, senior centers, etc., wherever you normally go! Any place that already has posters in their window will put ours up too, so don't be shy! Bring tape and offer to put it up for them. Lots of people would love to come to our show, but they just never hear about it. We need a good turnout!!

**Plant Hotel Supplies:** As our show is coming up at the end of January and I would like to remind you to save suitable strong boxes and some newspaper for the Plant Hotel.

**Guests:** This year each member may bring one guest at no charge. Members will still need to pay for their own admission, unless they are volunteering on that day. Members can also pay admission for additional guests by completing the attached Guest Pass for each admission. You will be billed after the Show for each guest who uses the pass. You will not be billed for passes that aren't used.

**Volunteers:** If you are volunteering at the show of course you do not need to pay the admissions fee and lunch (or dinner on Friday and Sunday) will be provided in the kitchen. Anyone who has volunteered during the show is welcome to attend the end of show dinner immediately following break-down. This is a fun time to chat with other members and vendors.

**To volunteer:** Please contact Chaunie at [510-494-8850](tel:510-494-8850) or email [chaunie.langland@earthlink.net](mailto:chaunie.langland@earthlink.net) or contact the show chair listed below. Most of you have not signed up yet and it gives me a very happy feeling if I know most of the shifts are covered prior to the show. You would be surprised how much I, and every show chair, worries before the show.

**To have a display:** If you or you and a group would like to enter your show plants as a display please let Chaunie know by January 15 and we will arrange to have a display table assigned to you.

Please, please groom your plants and enter them in the show. With your orchids we can have a beautiful show. If you leave them at home, you may regret it.

Thank you all for your participation - we have the best society and the best show in the area because so many of you turn out to help at the show. We rely on revenue from the show (and the auction and membership and donations) to pay for our monthly meeting rental, our speakers fees, our plant table, our website and our supplies.

Sincerely,  
Chaunie Langland, 2019 Show Chair

# 2019 Peninsula Orchid Society Show Rules

## Rules for Exhibitors

Please review the following carefully, all rules will be strictly enforced in the interest of this show and fairness to its participants.

Any person may enter orchid plants or orchid cut flowers in the show, subject to these rules. Exhibitors need not be POS (Peninsula Orchid Society) members.

Perpetual trophies are awarded only to POS members. Anyone may join POS when they bring entries in if they wish.

Plants and flowers for exhibition at the show shall be delivered to the Community Activities Building, 1400 Roosevelt Avenue in Redwood City, on Friday, January 25<sup>th</sup> 2019 between 2:00 and 6:30 PM. **NO EXCEPTIONS.**

The show concludes on Sunday at 5:00 PM and plants should be picked up between 5:00 PM and 5:30 PM.

Anyone interested in serving as a clerk for ribbon judging or as a ribbon judge should be present at 7:00 PM on Friday January 25<sup>th</sup>.

The show, including sales area, will not open until Saturday morning at 10:00 AM.

### AOS and CSA Judging

Specific forms, which are available at the entry table, must be completed and left with the AOS and CSA clerks or at the show entry clerks.

Since this is a AOS sanctioned show, all plants exhibited are considered for AOS and/or CSA awards unless "No AOS and CSA Judging" is written on the entry card or display. If you feel that the plant entered has not reached its full potential on this blooming and want to have it judged later, you need the no AOS or CSA sign on it for it to remain eligible.

Plants not marked for no judging may not be AOS judged later the same inflorescence even though they have not been taken to the judging room. (Special rules for some Phalaenopsis that bloom sequentially on the same inflorescence.) Judges may not recognize a plant's quality until they begin the individual judging process. Do not count on the judges to spot your awardable entry on their walk through.

If you feel your plant may be awardable, don't be shy, fill out an entry form.

### Plant Entry

- Entry cards must be completed for all plants entered in competition.
- Plants entered in ribbon and show trophy judging must have been owned by the Exhibitor for at least 6 months.
- For ribbon judging, you need not know the name of the plant as long it is possible to determine which class it should be entered into.

- Plants incorrectly labeled or improperly entered may be disqualified from consideration for awards. (This is a separate issue from no label.)
- It is the responsibility of the owner to enter the plant in the correct division.
- If there is any doubt at all about which class your entry belongs in, please discuss it with the clerk at the entry desk. Judges may (but are not required to) move entries to the appropriate class.
- All plants and items exhibited must remain on display throughout the show. Removal cannot begin until 5:00 PM. Please talk with Chaunie Langland if this will cause a problem for you, we do value your entries.
- Plants may be entered for AOS and/or CSA judging without being entered in the show. You must fill out the appropriate AOS or CSA entry form(s).
- The POS will provide security during the show. However, exhibitors assume all risk and liability for their property.
