12:30 - 1:30 pm General Orchid Culture: Dennis Olivas

2:00 - 3:00 pm Backyard Orchid Culture: Ken Jacobsen

## Vendor List

- **Asbell's Orchids** located in Arroyo Grande, great Cymbidiums and other outdoor growing orchids.
- **Botanico** located in San Francisco, sells a wide variety of orchids.
- **Brookside Orchids** located near Menlo Park, Brookside offers a wide variety of orchids at their sales booths at local shows and at their nursery in Portola Valley.  
[www.brookside-orchids.com](http://www.brookside-orchids.com)
- **Cal-Orchid** - located in Santa Barbara, famous for Japanese-bred Lycastes, jewel color Epidendrums, African orchids and more. [www.calorchid.com](http://www.calorchid.com)
- **D & D Flowers** - located in Daly City, grows a large variety of orchids.
- **Gold Country Orchids** - located near Sacramento, Alan Koch is known world-wide for his mini-Cattleyas (blooming up to 3 times per year) and Cattleyas as well as other genera.  
[www.goldcountryorchids.com](http://www.goldcountryorchids.com)
- **Orchid Design** - located in San Jose, sells a wide variety of orchids including Phalaenopsis and large colorful Oncidiums. <http://www.orchiddesign.com>
- **Orchids and Gardens** - located in Fresno, sells a wide variety of orchids suitable for the windowsill grower plus cute garden items.
- **Sorella Orchids** - located in Oxnard, last year they brought many nice Vandas and other warm growing orchids.

## Show Information

Our 2019 Show and Sale will take place January 26 and 27, with set-up, ribbon judging, AOS judging and CSA judging taking place on Friday, January 25th.

**All member sales information and the show rules and classes are available further down in newsletter and were published in the December newsletter (available online).**

### Show posters and postcards!

Please put up posters ASAP! The sooner our show posters go up, the more people that see them, and the better our show attendance will be. Don't wait until the last minute. If you are out shopping, bring some posters with you. Bring them to your hair salon, barber shop,

mechanic, local nursery, veterinarians office, gym, work, grocery stores, restaurants, retailers, community bulletin boards, libraries, dry cleaners, senior centers, etc., wherever you normally go! Any place that already has posters in their window will put ours up too, so don't be shy! Bring tape and offer to put it up for them. Lots of people would love to come to our show, but they just never hear about it. We need a good turnout!

### Show your plants!

The success of the show depends on everyone entering their orchids to make a spectacular first impression for people visiting the show. This year the cymbidiums are blooming late, which means we will need more plants to fill out the show area! The Novice Division is the smallest division every year. How often people arrive at the show on Saturday and wish they had entered too! Your plants could be on the bench, winning ribbons and admired by the crowds! Give it a try - brighten up your January! All you need is an orchid with these attributes:

- It is in flower.
- It is free of pests and disease.
- It does not need a name tag! We will help you get it into the right class.

If you have owned the plant for fewer than 6 months, it will be eligible for AOS and CSA judging but not for POS ribbon awards. To be eligible for ribbon awards, plants must have been owned by the entrant for at least 6 months.

**Start planning your entries now!** If you think you might enter a plant, stake it as it is coming into spike, if it needs to be staked. Clean the leaves with water, or 50/50 water and skim milk, or

lemon juice. The skim milk and the lemon juice are helpful in removing hard water deposits. Set your plant in a pot that does not draw attention away from the flowers. Dress up the planting media top with moss, hiding the growing pot, if you like.

Michaels is an excellent source of inexpensive plain decorative pots and moss as well as green coated wire to support delicate inflorescences. If your plant needs to be hung, you will need to supply a fixture to hang it from. Small hanging plants can be hung from clear or solid color vases. Pendulous orchids will need something to stand on. For further help, call any of your fellow society members.

### **Be a Ribbon Judge**

Friday night of our show, we will need a host of ribbon judges. This is one of the most fun, I cannot stress this enough, and interesting jobs at the show. You will be placed on a team, headed by an AOS judge or judge in training, given a list of classes to judge, then head out, find your plants and select the winners. At the end of the judging, everyone gets to vote on the overall winners. Don't miss out on this great opportunity!! Just show up no later than 6:45 on Friday, January 25th.

### **Plant Hotel Supplies**

Please bring strong cardboard boxes for the Plant Hotel on Friday and Saturday.

### **Guests Policy**

This year each member may bring one guest at no charge. Members will still need to pay for their own admission, unless they are volunteering on that day. Members can also pay admission for additional guests by completing the attached Guest Pass for each admission. You will be billed after the Show for each guest who uses the pass. You will not be billed for passes that aren't used.

### **Social Media**

If you post pictures to Facebook or Instagram while you're at the show, please remember to use our show hashtag: **#POSShow2019**

#### **EDITOR'S CORNER: What's a selfie and Why is it our theme?**

I think our show theme this year might have some members scratching their heads, so I thought I would pop in a briefly give you my perspective (a privilege of the newsletter editor!). A selfie is when you take a picture of yourself, usually with your smart phone, and then (usually) post the photo to social media sites. Our show theme (Orchids ♥ Selfies) is a way of encouraging people to take selfies (and photos in general) and post them to social media. This is a way to get people enthusiastic and participating in the show whether they know anything about orchids or not. We love the orchid society because we can interact with and learn from each other, and really, this is a way of finding more people like that. If this is interesting to you, I recommend joining Instagram – it's relatively simple to use and there are many accounts that post beautiful photos of all kinds of orchids. –*lis*

[instagram.com/peninsulaorchidsociety](https://www.instagram.com/peninsulaorchidsociety)

## Volunteers

If you are volunteering at the show of course you do not need to pay the admissions fee and lunch (or dinner on Friday and Sunday) will be provided in the kitchen. Anyone who has volunteered during the show is welcome to attend the end of show dinner immediately following break-down. This is a fun time to chat with other members and vendors. To volunteer: Please contact Chaunie at 510-494-8850 or email chaunie.langland@earthlink.net or contact the show chair listed below.

**Show chair:** Chaunie Langland (chaunie.langland@earthlink.net)

**Admissions:** George Spangler (geospangler@gmail.com)

**Advertising:** Chaunie Langland

**AOS and CSA show photography:** Chaunie Langland

**Hospitality:** Helena Wee (shhwee@sbcglobal.net)

**Judging:** Japheth Ko (japhethko@gmail.com)

**Member Sales:** Sue Rose (ginger94022@gmail.com)

**Membership:** Janusz Warszawski (janwar@sbcglobal.net)

**Show Plant Check-in:** Ken Jacobsen (kenneth.p.jacobsen@gmail.com)

**Plant Hotel:** Abraham Chih and Kimmy Wang (menicx@gmail.com)

**Plant Placement:** Jung Hee Ra (rajyjh@gmail.com)

**Seminars:** Tom Mudge

**Raffle:** Olga Ostrovsky (oostrovsky@yahoo.com)

**Security:** Mike Rector (mrector@verizon.net)

**Set-up and Take-down:** Mike Drilling (mike.drilling@gmail.com)

**Treasurer:** Janusz Warszawski

**Vendors:** Mike Drilling

Thank you all for your participation - we have the best society and the best show in the area because so many of you turn out to help at the show. We rely on revenue from the show (and the auction and membership and donations) to pay for our monthly meeting rental, our speakers fees, our plant table, our website and our supplies.

Sincerely, Chaunie Langland, 2019 Show Chair

## Show Schedule

Friday January 25	Saturday January 26	Sunday January 27	Monday January 28
Set-up begins at 10 AM, the day ends at 10 PM.	Show opens at 10 AM and closes at 5 PM	Show opens at 10 AM take down is followed by dinner for volunteers and vendors	Show materials returned to storage

## Member Sales

We will accept plants for member sales:  
**Friday January 25: 2:00 pm – 7:00 pm**  
**Saturday, January 26: 8:00 am – 10:00 am**  
**Sunday, January 27: before 10:00 am**

Each member is entitled to bring up to 50 plants/items Friday OR Saturday AND on Sunday (100 items total during the show.)

### **Process and Procedures for Members' Sales Area:**

- Bring your plant (and items) list. It will be compared to actual plants (and items) on hand outside the members' sales room.
- Each sale plant (or item) must have a 2-part tag attached with a unique reference number on both parts and be listed on the sale list organized by reference number.

In addition, these items will be checked:

1. The seller must be a current member.
2. The list contains a maximum of 50 plants or other items.
3. The plants are healthy looking and pest free.
4. The seller has signed up to work 1 or 2 shifts (depending on the number of items for sale) in some function at the show and sale.

**Arrive with your list and plant tags already filled out.**

If a sale item consists of multiple parts, they need to be securely packaged or taped together.

We will be able process sales for the area Friday thru Sunday.

### **January Birthdays**

Carol Basey, Terry Boomer, Jean Lee, Linda Locatelli, Rory Nakata, Wendy Wenderski. Happy Birthday!

### **Membership Renewals**

Annual membership dues are due in January; they can be paid by check or cash at the Show, at our monthly meetings, on the website <http://penorchidsoc.org/membership.html> using PayPal, or mailed to the address provided in the 2019 Membership Renewal form, attached to this Newsletter.

Remember, if you refer a new member, your dues are half price, and if you refer two new members your dues are free for a year! New referrals must not be

current members of the POS and must mention your (current member's) name for you to get your discount (or refund).

Please update your contact information, especially email addresses (If there are no changes to the contact information, there is no need to fill out the form).

Members interested in selling plants at the 2019 Show and Sale must renew their membership before or at the Show.

As an incentive to renew on time, POS is again providing free Garden Pruners to everyone who renews no later than the March meeting. All new members for 2019 are eligible for the free pruners throughout the year.

# 2019 Peninsula Orchid Society Show Rules

## Rules for Exhibitors

Please review the following carefully, all rules will be strictly enforced in the interest of this show and fairness to its participants.

Any person may enter orchid plants or orchid cut flowers in the show, subject to these rules. Exhibitors need not be POS (Peninsula Orchid Society) members.

Perpetual trophies are awarded only to POS members. Anyone may join POS when they bring entries in if they wish.

Plants and flowers for exhibition at the show shall be delivered to the Community Activities Building, 1400 Roosevelt Avenue in Redwood City, on Friday, January 25<sup>th</sup> 2019 between 2:00 and 6:30 PM. **NO EXCEPTIONS.**

The show concludes on Sunday at 5:00 PM and plants should be picked up between 5:00 PM and 5:30 PM.

Anyone interested in serving as a clerk for ribbon judging or as a ribbon judge should be present at 7:00 PM on Friday January 25<sup>th</sup>.

The show, including sales area, will not open until Saturday morning at 10:00 AM.

### AOS and CSA Judging

Specific forms, which are available at the entry table, must be completed and left with the AOS and CSA clerks or at the show entry clerks.

Since this is a AOS sanctioned show, all plants exhibited are considered for AOS and/or CSA awards unless "No AOS and CSA Judging" is written on the entry card or display. If you feel that the plant entered has not reached its full potential on this blooming and want to have it judged later, you need the no AOS or CSA sign on it for it to remain eligible.

Plants not marked for no judging may not be AOS judged later the same inflorescence even though they have not been taken to the judging room. (Special rules for some Phalaenopsis that bloom sequentially on the same inflorescence.) Judges may not recognize a plant's quality until they begin the individual judging process. Do not count on the judges to spot your awardable entry on their walk through.

If you feel your plant may be awardable, don't be shy, fill out an entry form.

### Plant Entry

- Entry cards must be completed for all plants entered in competition.
- Plants entered in ribbon and show trophy judging must have been owned by the Exhibitor for at least 6 months.
- For ribbon judging, you need not know the name of the plant as long it is possible to determine which class it should be entered into.

- Plants incorrectly labeled or improperly entered may be disqualified from consideration for awards. (This is a separate issue from no label.)
- It is the responsibility of the owner to enter the plant in the correct division.
- If there is any doubt at all about which class your entry belongs in, please discuss it with the clerk at the entry desk. Judges may (but are not required to) move entries to the appropriate class.
- All plants and items exhibited must remain on display throughout the show. Removal cannot begin until 5:00 PM. Please talk with Chaunie Langland if this will cause a problem for you, we do value your entries.
- Plants may be entered for AOS and/or CSA judging without being entered in the show. You must fill out the appropriate AOS or CSA entry form(s).
- The POS will provide security during the show. However, exhibitors assume all risk and liability for their property.

#### Classification of Exhibitors by Skill Level

- **Novice:** An Exhibitor who has not won more than 3 Best of Show awards (e.g. Best Novice Cattleya, Best Novice Oncidium) at any AOS sanctioned show (cumulative).
- **Intermediate:** An Exhibitor who has won no more than 12 Best of Show awards (e.g. Best Intermediate Cattleya, Best Novice Oncidium) at any AOS sanctioned show (cumulative).
- **Advance:** An Exhibitor who has won more than 12 trophies/awards (other than class ribbons) at any AOS sanctioned shows.
- **Open:** All Exhibitors required to collect tax from the sale of orchid plants, flowers, or supplies during the previous 12 months. Also, any plants that have been boarded out. Anyone qualified for any of the other levels may enter in the Open division if they prefer.

Class lists are on the following pages.

## Schedule of Classes 2019

Sections are the main Alliances or groups of orchids, and are signified with a letter (A for Cattleya alliance, B for Cymbidium, etc.)

Classes are subdivisions within Sections, and are signified with a number, e.g., Class A1 for Cattleya species)

Levels of skill of Exhibitor: Novice, Intermediate, Advanced and Open. A different colored entry card is used for each category. (Please see show rules to determine your level.)

Plants may be entered in only one class in sections A through I. Plants entered in Sections A through I may also be entered in Sections J or K. A separate entry card must be filled out for each section entered. Plants entered in the incorrect Class may be disqualified from judging or the judges may reenter them correctly at their discretion. Questions should be directed to the clerks at the plant entry table or to the show chairperson.

### A. Cattleya alliance

- A1. Cattleya species
- A2. Cattleya hybrids (Blc., Slc., Sc., Lc., Bc., Bl., Potinara, etc.)
- A3. Laelia species
- A4. Laelia hybrids (not included in Cattleya hybrids)
- A5. Other Cattleya species (Brassavola, Epidendrum, Encyclia, Broughtonia, Oerstedella, Barkeria, Prosthechea. Anacheilium, Euchile, Panarica. Oestlundia, Dinema, Nidema, etc)
- A6. Other Cattleya alliance hybrids

### B. Cymbidium

- B1. Standard species with natural flower spread of 3 ½" or greater
- B2. Intermediate and miniature species with natural flower spread of less than 3 ½"
- B3. Dark colored Standard hybrids, including flares, with a natural flower spread of 3 ½" or greater on largest flower.
- B4. Light colored Standard hybrids, including flares, with a natural flower spread of 3 ½" or greater on largest flower.
- B5. Dark colored Intermediate hybrids, including flares, with a natural flower spread of 1 ¾" - 3 ½" on largest flower.
- B6. Light colored Intermediate hybrids, including flares with a natural flower spread of 1 ¾" - 3 ½" on largest flower.
- B7. Miniature hybrids less than 1 ¾" on largest flower.- All colors
- B8. Splash-petal, Splash-sepal and large, prominent spots – All sizes

### C. Odontoglossum alliance (Oncidiinae)

- C1. Odontoglossum species and hybrids
- C2. Oncidium species and hybrids, plants 12" and under (including inflorescence and flowers)
- C3. Oncidium species and hybrids, plants over 12"
- C4. Miltoniopsis and Miltonia species and hybrids
- C5. Other hybrids, including Intergeneric hybrids

### D. Paphiopedilum alliance

- D1. Species, single flower per inflorescence
- D2. Species, multiple flowers per inflorescence
- D3. Hybrids, single flower per inflorescence
- D4. Hybrids, multiple flowers per inflorescence
- D5. Phragmipedium hybrids
- D6. Phragmipedium species
- D7. Cypripedium, species and hybrids
- D8. Selenipedium or Mexipedium species or hybrids

### E. Vandaceous

- E1. Vanda, Euanthe and Ascocentrum species
- E2. Vanda, Euanthe and Ascocentrum hybrids
- E3. Phalaenopsis (including Doritis) species
- E4. Phalaenopsis (including Doritis) hybrids, flowers 3" or greater
- E5. Phalaenopsis (including Doritis) hybrids, flowers under 3"
- E6. Phalaenopsis "big lip" hybrids
- E7. Angraecoid species and hybrid
- E8. Sarcochilus species and hybrids

## 2019 Peninsula Orchid Society Show Class List (cont.)

### **F. Pleurothallid alliance**

- F1.** Masdevallia species under 6" (leaves)
- F2.** Masdevallia species 6" and over (leaves)
- F3.** Masdevallia hybrids under 6" (leaves)
- F4.** Masdevallia hybrids 6" and over (leaves)
- F5.** Dracula species and hybrids
- F6.** Other Pleurothallid species and hybrids (e.g., Dryadella, Stelis Lepanthes, Restrepia, Porroglossum) under 3" (leaves)
- F7.** Other Pleurothallid species and hybrids (e.g., Dryadella, Stelis Lepanthes, Restrepia, Porroglossum) 3" and over (leaves)

### **G. Dendrobium**

- G1.** Section Oxyglossum (including cuthbertsonia) species and hybrids
- G2.** Section Dendrobium species and hybrids (e.g., nobile, parishii, loddigesii)
- G3.** Australian and Dockrillia species and hybrids (Australian e.g., kingianum, speciosum)
- G4.** Section Formosae (aka nigrohirsutae) species and hybrids
- G5.** Section Latourea (e.g., atroviolaceum) species and hybrids
- G6.** Species and hybrids in other sections

### **H. Other**

- H1.** Bulbophyllum (including Cirrhopetalum, and Haplochilus etc.) and Bulbophyllum relatives (Trias, Sunipea) species and hybrids
- H2.** Catasetinae species and hybrids
- H3.** Lycaste, Ida (Sudamerlycaste) and Anguloa species and hybrids
- H4.** Maxillaria, Bifrenaria, Rudolfiella, Xylobium, species and hybrids
- H5.** Zygopetalinae species and hybrids (with psuedobulbs, e.g., Zygopetalum, Promenaea, Pabstia, Galleotia etc.)
- H6.** Eriinae (Eria, Mediocalcar, Ceratostylis ) species and hybrids

- H7.** Stanhopeinae (Stanhopea, Gongora, Houlettia, Coryanthes etc.) species and hybrids
- H8.** Coelogyne species and hybrids
- H9.** Dendrochilum species and hybrids (Panisea, Dickisonia, and relatives)
- H10.** All other species and hybrids
- H11.** Terrestrials (including Disa, Phaius and Calanthe)

### **J. Orchids shown for foliage**

- J1.** Jewel orchids (Ludisia, Anoectochilus, Macodes, Goodyera etc.)
- J2.** All other species and hybrids

### **K. Special Categories**

- K1.** Youth Exhibitor. Plant must be grown by the Exhibitor 17 years and under
- K2.** First bloom Cymbidium seedling - no meristems or divisions (all levels compete against each other)
- K3.** First bloom seedling other than Cymbidium
- K4.** Orchid Corsages. All exhibitor levels will compete in one class. If entries warrant the class will be split by the show committee.

## **Trophies for Each Section**

Best Cattleya Alliance in Show  
Best Cymbidium in Show  
Best Odontoglossum Alliance in Show  
Best Vandaceous Alliance in Show  
Best Pleurothallid in Show  
Best Dendrobium in Show  
Best Plant of Other Genus in Show

## **POS Perpetual Trophies**

(Only current POS members entries are eligible for these trophies.)

**Barbara Todd Kennedy Trophy** - Best Entry in Show  
**Katherine Jason Trophy** - Best Species in Show  
**Peninsula Orchid Society Trophy** - Best Orchid Grown by an Open Exhibitor  
**Anna Chai Trophy** - Best orchid grown by an Advanced Exhibitor  
**Clar Hancock Trophy** - Best Culture for an Orchid Plant grown by an Intermediate Exhibitor  
**Vallemar Gardens Trophy** - Best orchid grown by a Novice Exhibitor  
**Mary & Gerardus Staal Trophy** - Best Pleurothallid  
**Severin Orchid Farm Trophy** - Best Miniature Species (<8", including bloom)  
**Kay Rinaman Memorial Trophy** - Best Cypripedium

## **Plant Awards-Ribbons**

At the discretion of the judges, First, Second and Third Place ribbons will be awarded in all Classes for which there are entries. Judges may withhold ribbons if, in their opinion, no suitable material is exhibited or may award more than one entry in a class with the same level ribbon.

### **Plant Awards by Skill Level - Trophies for Best of Section**

**(These are the awards that count towards moving exhibitors to the next skill level.)**

#### Section A

Best Cattleya Alliance by Novice Exhibitor  
Best Cattleya Alliance by Intermediate Exhibitor  
Best Cattleya Alliance by Advanced Exhibitor  
Best Cattleya Alliance by Commercial Exhibitor

#### Section B

Best Cymbidium by Novice Exhibitor  
Best Cymbidium by Intermediate Exhibitor  
Best Cymbidium by Advanced Exhibitor  
Best Cymbidium by Commercial Exhibitor

#### Section C

Best Odontoglossum Alliance by Novice Exhibitor  
Best Odontoglossum Alliance by Intermediate Exhibitor  
Best Odontoglossum Alliance by Advanced Exhibitor  
Best Odontoglossum Alliance by Commercial Exhibitor

#### Section D

Best Paphiopedilum Alliance by Novice Exhibitor  
Best Paphiopedilum Alliance by Intermediate Exhibitor  
Best Paphiopedilum Alliance by Advanced Exhibitor  
Best Paphiopedilum Alliance by Commercial Exhibitor

#### Section E

Best Vandaceous by Novice Exhibitor  
Best Vandaceous by Intermediate Exhibitor  
Best Vandaceous by Advanced Exhibitor  
Best Vandaceous by Commercial Exhibitor

#### Section F

Best Pleurothallid Alliance by Novice Exhibitor  
Best Pleurothallid Alliance by Intermediate Exhibitor  
Best Pleurothallid Alliance by Advanced Exhibitor  
Best Pleurothallid Alliance by Commercial Exhibitor

#### Section G

Best Dendrobium by Novice Exhibitor  
Best Dendrobium by Intermediate Exhibitor  
Best Dendrobium by Advanced Exhibitor  
Best Dendrobium by Commercial Exhibitor

#### Section H

Best Plant of other Genus by Novice Exhibitor  
Best Plant of other Genus by Intermediate Exhibitor  
Best Plant of other Genus by Advanced Exhibitor  
Best Plant of other Genus by Commercial Exhibitor

#### Section J

Best Plant Shown for Foliage by Novice Exhibitor  
Best Plant Shown for Foliage by Intermediate Exhibitor  
Best Plant Shown for Foliage by Advanced Exhibitor  
Best Plant Shown for Foliage by Commercial Exhibitor
