2020 SHOW AND SALE INFORMATION

ENTER YOUR PLANTS IN THE SHOW!

Last year, we had a sharp drop off in plant entries - check out the compiled show entry data to the right. The success of the show is built upon having a great showroom filled with beautiful plants in bloom. It is really an accomplishment to have bloomed an orchid, from a Trader Joe's phalaenopsis to an esoteric species, so you should be proud and bring it to the show to show it off! There is a decent chance you'll win an award especially in the novice and intermediate classes! All you need is an orchid with these attributes:

- It is in flower.
- It is free of pests and disease.
- It does not need a name tag! We will help you get it into the right class.

Plant entries at annual show by year. Data was not available (to me) for 2013-16. We need to do better than last year!

If you have owned the plant for fewer than 6 months, it will be eligible for AOS judging but not for POS ribbon awards. To be eligible for ribbon awards, plants must have been owned by the entrant for at least 6 months.

Make your plants look their best! If you think you might enter a plant, stake it as it is coming into spike, if it needs to be staked. Clean the leaves with water, or 50/50 water and skim milk, or lemon juice. The skim milk and the lemon juice are helpful in removing hard water deposits. Set your plant in a pot that does not draw attention away from the flowers. Dress up the planting media top with moss, hiding the growing pot, if you like. Michaels is an excellent source of inexpensive plain decorative pots and moss as well as green coated wire to support delicate inflorescences. If your plant needs to be hung, you will need to supply a fixture to hang it from. Small hanging plants can be hung from clear or solid color vases. Pendulous orchids will need something to stand on. For further help, call any of your fellow society members.

VOLUNTEERING

If you are volunteering at the show of course you do not need to pay the admissions fee and lunch (or dinner on Friday and Sunday) will be provided in the kitchen. Anyone who has volunteered during the show is welcome to attend the end of show dinner immediately following break-down. This is a fun time to chat with other members and vendors. If you volunteer, please wear your name tag! To volunteer: Please contact the show chair listed below.

BE A RIBBON JUDGE

Friday night of our show, we will need a host of ribbon judges. This is one of the most fun, interesting jobs at the show. You will be placed on a team, headed by an AOS judge or judge in training, given a list of classes to judge, then head out, find your plants and select the winners. At the end of the judging, everyone gets to vote on the overall winners. Don't miss out on this great opportunity!! Just show up no later than 6:45 on Friday, January 24th.

PLANT HOTEL SUPPLIES

Please bring strong cardboard boxes for the Plant Hotel on Friday and Saturday.

GUESTS POLICY

This year each member may bring one guest at no charge. Members will still need to pay for their own admission, unless they are volunteering on that day. Members can also pay admission for additional guests by completing the attached Guest Pass for each admission. You will be billed after the Show for each guest who uses the pass. You will not be billed for passes that aren't used.

SOCIAL MEDIA

If you post pictures to Facebook or Instagram while you're at the show, please remember to use our show hashtag: **#POSShow2020**

SHOW RULES & CLASSES

Please review the following carefully, all rules will be strictly enforced in the interest of this show and fairness to its participants.

Any person may enter orchid plants or orchid cut flowers in the show, subject to these rules. Exhibitors need not be POS (Peninsula Orchid Society) members.

Perpetual trophies are awarded only to POS members. Anyone may join POS when they bring entries in if they wish. Plants and flowers for exhibition at the show shall be delivered to the Community Activities Building, 1400 Roosevelt Avenue in Redwood City, on Friday, January 24, 2020 between 2:00 and 6:30 PM. **NO EXCEPTIONS.**

The show concludes on Sunday at 5:00 PM and plants should be picked up between 5:00 PM and 5:30 PM.

Anyone interested in serving as a clerk for ribbon judging or as a ribbon judge should be present at 7:00 PM on Friday January 24.

AOS Judging

- Specific forms, which are available at the entry table, must be completed and left with the AOS clerk or at the show entry desk.
- Since this is a AOS sanctioned show, all plants exhibited are considered for AOS awards unless "No AOS Judging" is written on the entry card or display. If you feel that the plant entered has not reached its full potential on this blooming and want to have it judged later, you need the "No AOS" sign on it for it to remain eligible for future judging.
- Plants NOT marked for "no AOS judging" may not be AOS judged later on the same inflorescence. (There are special rules for some Phalaenopsis that bloom sequentially on the same inflorescence.) Judges may not recognize a plant's quality until they begin the individual judging process. Do not count on the judges to spot your awardable entry on their walk through.
- If you feel your plant may be awardable, don't be shy, fill out an entry form. There is no cost for AOS judging, only for awards.

Ribbon Judging Plant Entry

- Entry cards must be completed for all plants entered in competition and for all plants entered for exhibition only. Exhibition entries will not be placed in the judging books.
- Plants entered in ribbon and show trophy judging must have been owned by the exhibitor for at least 6 months.
- For ribbon judging, you need not know the name of the plant as long as it is possible to determine which class it should be entered into.
- Plants incorrectly labeled or improperly entered may be disqualified from consideration for awards.
- It is the responsibility of the owner to enter the plant in the correct division.
- If there is any doubt at all about which class your entry belongs in, please discuss it with the clerk at the entry desk. Judges may (but are not required to) move entries to the appropriate class.
- All plants items exhibited must remain on display throughout the show. Removal cannot begin until 5:00 PM. Please talk with Bill Weaver if this will cause a problem for you we will work out a solution.

- Plants may be entered for AOS judging without being entered in the show. You must fill out the appropriate entry form(s) and let the entry clerk know.
- The POS will provide security during the hours the show is open to the public. However, exhibitors assume all risk and liability for their property.

Classification of Exhibitors by Skill Level

- **Novice:** An Exhibitor who has won no more than TEN best of class awards (purple rosettes at POS shows, e.g. Best Novice Cattleya, Best Novice Oncidium) at any AOS sanctioned shows unless a perpetual trophy has not been won also, in which case the exhibitor may remain in Novice if they wish. Only one point is accumulated per plant per show.
- **Intermediate:** An Exhibitor who has won no more than TEN Intermediate level best of class awards (e.g. Best Intermediate Cattleya, Best Intermediate Oncidium) at any AOS sanctioned shows, unless no perpetual trophy has been won at Novice or Intermediate in which case the exhibitor may remain in Intermediate if they wish.
- **Advanced:** An Exhibitor who has won more than TEN Intermediate level best of class awards at any AOS sanctioned shows and at least one perpetual trophy. Also, any certified AOS or CSA judge who is not required to show at the Open level.
- **Open:** All Exhibitors required to collect tax from the sale of orchid plants, flowers, or supplies during the previous 12 months. Anyone qualified for any of the other levels may enter in the Open division if they prefer.

Any exhibitor may show at a higher level than required, but once the exhibitor has moved up they may not move back down.

This year each Novice and Intermediate exhibitor will have their name entered for a special drawing at the February 2020 opportunity table, whether they are a POS member or not. POS will purchase an extra five plants for the table. Participants will have a chance to be among the first five people to choose a plant from the table. (One entry per exhibitor.) You must be present at the February meeting or send a representative in order to win.

Class list is attached at the end of this newsletter.

MEMBER SALES

For official plant tags contact Sue Rose @ Sue94022@gmail.com for tags to be sent to your home by mail.

Incoming plants will be accepted:

Friday (1/24) 2:00 pm to 7:00 pm

Saturday (1/25) 8:00 am to 9:45 am

Sunday (1/26) 9:00 am to 9:45 am

- Current members of the POS are allowed to sell their plants at this event. The POS will retain 25% of the amount sold and collect tax from customers.
- Numbering system to use will be as an example: for Sue Rose SJRo1, SJRo2 and so on. Lettering should be at least four characters.
- Print number and plant information on each side of the sales tickets.

- The small part of the sales tickets needs to be able to tear off to retain for sales support. The cashiers do not have time to cut these off when the lines are long.
- Members selling plants in member sales are expected to work for 2 hour shifts during the show if they bring in more than 20 plants to sell. A sign-up sheet will be on the wall of the sales room or you can contact Sue Rose at Sue94022@gmail.com with the times you would like to volunteer or for questions. We really appreciate your help during this wonderful show.
- Bring your plants or items labeled and a list of what you have brought to sell. Please do not plan on filling out the tickets in the sales room. There just is not enough room.
- Members sales staff have the right to refuse plants that have pests or appear virused.
- We have had some fabulous plants in our member sales area. Thank you all for your support of the POS. Donated plants are greatly appreciated as well.

MASAKI ASUKA OCT 16, 1954 - DEC 20, 2019

By Chaunie Langland with many parts from Asuka's official obituary at

<https://www.legacy.com/obituaries/name/masaki-asuka-obituary?pid=194808346>

After a valiant 3 year battle against cancer, Asuka died at home with his wife Carla at his side.

"Asuka", was an active and enthusiastic member of several Bay Area orchid societies. He was often at Peninsula Orchid Society selling some of his exceptional orchids in the member sales area and "ompeting" with Chaunie to win the most plants from the opportunity table. He was the only person in our society, or perhaps any local society, who could grow Disas well. His orchids won many AOS awards, ribbons and perpetual trophies. At our 2019 show Asuka won Best in Show, Best Species in Show, Best Pleurothallid in Show and Best Open Entry with his fabulous Pleurothallis truncata. He won Best Odontoglossum in Show with his Odontoglossum pulchellum and Best Other in Show with his Arpophyllum giganteum. His Ponera graminifolia won Best Open Foliage. As if that weren't enough he also won the AOS Display Show Trophy.

In January of 2018 Asuka's Pleurothallis truncata 'Boo Boo' was awarded at CCM by the AOS at our show. In June of 2018, at an AOS judging outreach at our meeting, Asuka's Masdevallia Redshine 'Casuka' (clonal name for his wife Carla) won an FCC and a CCM in the AOS judging.

Asuka had an inspiring passion for orchids, a wonderful sense of humor and a joy for life. He was well known for his award winning orchids and for many years made them available to the public through his Asuka Orchids website and at various orchid shows in northern California.

Asuka was featured in the book A Bay Area Guide to Orchids and their Culture for his expertise in the cultivation of cool growing orchids in the local outdoor environment.

He is survived by his wife of 38 years, Carla Asuka and his brothers who reside in Japan: Shunichi, Masato and Shoshige.

There will be no funeral service or memorial; however, Asuka was an animal lover and supported several Bay Area animal welfare organizations during his life.

Donations may be made in his name to the San Francisco SPCA or to the Peninsula Humane Society.
