**Virtual Meeting on Zoom**

**June 26, 2020**

**7pm**

**See email for Zoom meeting details and links.**

## Virtual Show and Tell

We will start the meeting with a virtual show and tell like we had at our May virtual meeting. Everyone is invited to show a 2 or 3 of their fabulous blooming orchids or just enjoy other peoples. You can take photos and share your screen or you can have your orchids on hand and show them on your device camera. You will have a chance to talk about your orchids (name, is it fragrant, how long you have been growing it, how you grow it or anything of interest).

**Topic:** Barkerias

**Speaker:** Chaunie Langland

Our speaker this month is Chaunie Langland talking about Barkerias. Barkerias have beautiful small fairy-garden type flowers and occur naturally in Mexico and Central America. This talk will include the points that judges should consider when evaluating Barkerias as well as cultural tips. The talk will last about 20 to 25 minutes. Originally written for judges, it is the hope of the presenter that the audience will learn both about Barkerias and a bit about what judges look for when evaluating flowers.

Chaunie has been an orchid hobby grower for more than 20 years, is a long time active POS member and is an associate judge with the Pacific Central Judging Center of the AOS. She grows Phalaenopsis and Paphiopedilums and Sarcochilus, but mainly grows a wide variety of orchids from Latin America in a modest greenhouse and outdoors in her backyard. No orchids are grown or displayed in her home due to the presence of two determined orchid tossing and nibbling cats.

The photo shows Barkeria whartonia.
