UPCOMING EVENTS

AOS Judging:

- Specific forms, which are available at the entry table, must be completed and left with the AOS clerk or at the show entry desk.
- Since this is a AOS sanctioned show, all plants exhibited are considered for AOS awards unless "No AOS Judging" is in writing on the entry card or display. If you feel that the plant entered has not reached its full potential on this blooming and want to have it judged later, you need the "No AOS" sign on it for it to remain eligible for future judging.
- Plants NOT marked for "no AOS judging" may not be AOS judged later on the same inflorescence. (There are special rules for some Phalaenopsis that bloom sequentially on the same inflorescence.) Judges may not recognize a plant's quality until they begin the individual judging process. Do not count on the judges to spot your awardable entry on their walk through.
- If you feel your plant may be awardable, don't be shy, fill out an entry form. There is no cost for AOS judging, only for awards.

Ribbon Judging Plant Entry:

- Entry cards must be completed for all plants entered in competition and for all plants entered for exhibition only. Exhibition entries will not be placed in the judging books.
- Plants entered in ribbon and show trophy judging must have been owned by the exhibitor for at least 6 months.
- For ribbon judging, you need not know the name of the plant as long it is possible to determine which class it should be entered into.
- Plants incorrectly labeled or improperly entered may be disqualified from consideration for awards.
- It is the responsibility of the owner to enter the plant in the correct division. • If there is any doubt at all about which class your entry belongs in, please discuss it with the clerk at the entry desk. Judges may (but are not required to) move entries to the appropriate class.
- All plants items exhibited must remain on display throughout the show.
- Plants may be entered for AOS judging without being entered in the show. You must fill out the appropriate entry form(s) and let the entry clerk know.
- The POS will provide security during the hours the show is open to the public. However, exhibitors assume all risk and liability for their property.
